

On behalf of the AFC Fawley Falcons Committee, I would like to pass on our thanks for attending the tournament last weekend. Hope you, your players and spectators enjoyed it? If you have any feedback regarding the event, it would be welcome. As with tournaments of this size, there are always hick-ups such as referees and teams not turning up which changes the fixtures schedule and unfortunate injuries etc. but thankfully the amazing volunteers helped make the weekend a success and contingencies worked well. There were some great action photos taken by our sports photographer DE Photos, so if you'd like to view/purchase them please visit: www.dephoto.biz and use event code: ffyfc
